The DIRT you need to know this week...

🍷🎃 **HAPPY FALL NUCA of Las Vegas!** 🍁👻

Even though it's definitely doesn't feel like fall in Vegas yet, October is here! 😄
Hopefully by Halloween we'll at least be able to break out a sweatshirt!

There's a LOT happening just this month, but first we want to make you aware of a media release that was provided by NUCA National:

WATER INFRASTRUCTURE FUNDING UPDATE

Major federal water infrastructure funding lapsed at the end of September, creating a critical funding gap for water and wastewater projects across the country.

NUCA National is urging Congress to act immediately to reauthorize the Clean Water and Drinking Water State Revolving Funds (SRFs) and the Water Infrastructure Finance and Innovation Act (WIFIA) program, along with several important highway infrastructure programs, including the Bridge Formula Program, Safe Streets and Roads for All, and the National Infrastructure Project Assistance Program.
